

Mason District Representative to the Public Safety and Park Bond Referendum Committee for his dedication to safety during all park events and activities. In 2001, Frank was appointed to the Park Authority Board where he dutifully represented Mason District for 16 years.

Public service was at the core of who Frank was. Although he did not do any of this for the recognition, his dedication to his community earned him numerous awards, including the 1998 Elly Doyle Park Service Award and the Mason District Council of Civic Associations' Man of the Year award.

Madam Speaker, I ask my colleagues to join me in honoring the life and legacy of Frank Vajda. His leadership and commitment to pub-

lic service and safety was inspirational, and he will be missed by all who knew him. I also extend my deepest condolences to his wife, Judith, and his faithful companion, Jake.

Ms. LEE of California. Madam Speaker, I am pleased to support H.R. 3684, the Infra-

structure Investment and Jobs Act, a bill that includes new efforts to address lead contamination on our drinking water. I thank Chairman PALLONE for his leadership on this issue. None of us wants delay in repairing our water infrastructure and I know that all of us want to ensure that our families are protected as soon as possible.
